

## Wasabi Dipping Sauce

Wasabi is most often associated with sushi, but it can also be enjoyed as a dipping sauce for snacks of all sorts. I like to serve it with broccoli and asparagus, but most any vegetable will work. If you're feeling chilly, this will warm you up fast!

### Ingredients

1 to 3 tsp wasabi powder  
1/2 cup seasoned rice vinegar  
1 tsp Shiracha hot sauce  
1 1/2 tsp soy sauce

### Preparation process

Whisk all the ingredients together in a bowl, Taste the sauce as you mix in the ingredients for the ideal heat level

Serve with a side of asparagus, broccoli or the vegetable of your choice.
